

THE HISTORY BOOK CLUB | at the Homestead Museum

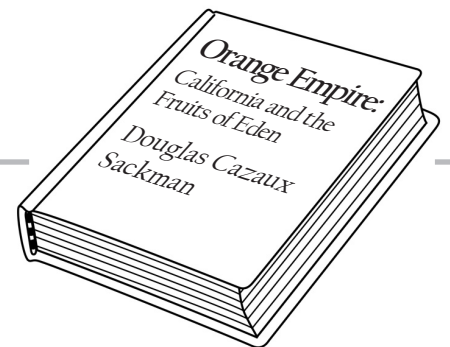

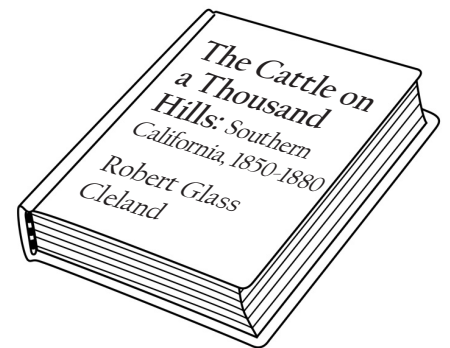

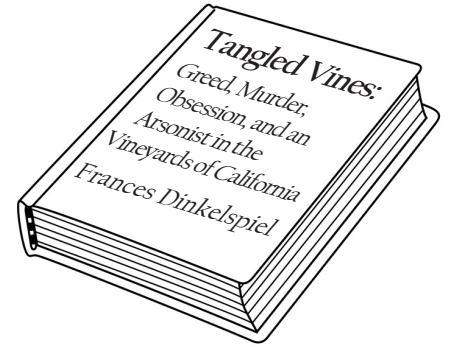

A three-part series on Vital California Agriculture, Fridays, 10 a.m. to noon
October 6, November 3, & December 1, 2017

Explore the fascinating history of agriculture in Los Angeles with fellow book lovers as you participate in facilitator-led discussions, view objects from the museum's collection, and share insights with fellow readers.

Books may be purchased separately or borrowed from your local library. Each session is limited to 15 participants.

Sign-ups begin August 25.
