

HOMESTEAD MUSEUM

Bus Funding Application

The Homestead Museum welcomes participating schools to apply for a limited number of bus stipends. **To be considered for a stipend, groups must complete and return this form, as well as a W-9** for the entity (the school, district, PTA, or transportation department) that the stipend check will be made out to. Sorry, checks cannot be made out to individual teachers.

The number of stipends are limited and are awarded on a first-come, first-served basis.
